Directors/IRISET, IRICEN, IRIEEN, IRIMEE, IRITM,
Chairman, All India Railway Recruitment Boards.**

Sub: Email ID for Officers in railnet.gov.in domain.

Email system was introduced in Railways in the year 1999 and post linked email IDs are used on Railnet. Emails have become a very vital tool for communication today and a lot of communication take place on email everyday over Indian Railways. In recent past, a need for a permanent email address for individual officers is being felt. This has been considered in Board and it has been decided that a permanent email ID should be created for every officer in the domain railnet.gov.in that the officer can use for all purposes.

2. This email ID shall be formed based on the officer's name and exam batch/ the year when he became an officer. So an officer, say VIJAY SINHA of 1996 exam batch shall be provided an email ID vsinha96@railnet.gov.in. In case of two officers having the same name, a numerical prefix-1, 2, etc. can be used after the name to identify different individuals.

3. CCE's of the Zonal Railways shall be responsible for email ID creation in the railnet.gov.in domain for officers in their Railways. Central Training Institutes should create email ID for the officers who will join Railways from this year onwards. The undersigned may be contacted for provision of admin account/ passwords for this purpose.

4. It may be noted that creation of these email IDs does not mean discontinuing the post linked email IDs. The post linked email IDs should be used for official purpose and name based IDs can be used in any way the officer desires.
