Emission Trading For Indian Railways: Case Study: Fuel Cell Train

Dear Tarun,

It is with much pleasure that I inform you that your paper has been accepted by the program committee for presentation at the **AIE National Conference 2006**, to be held at the University of Melbourne from the 27th to 29th November. This 'presentation' will involve submitting a written paper for publishing in advance on the conference CD, and an oral presentation in one of the conference sessions.

Details of your session dates and times will be provided later, but the sessions will be held on Tuesday 28th and Wednesday 29th November 2006. Registration will be available prior to the Welcome Reception on Monday 27th.

We have attached a set of Instructions for Authors for preparing the written papers. You are asked to follow these instructions and endeavour to link your presentation to the conference theme **Energy at the Crossroads**.

Presenters are reminded that it is a condition of acceptance that they register to attend the conference. Please confirm your intention to proceed with your paper and to register by sending an email to:

conference@aie.org.au

by June 30th 2006, in order for the program to be finalised.

Regular updates regarding the program and other aspects of the conference are posted to the conference web site at:

www.aie.org.au/conference

The Registration Form and preliminary program in will be distributed when available and will also be available on the conference website above.

Please complete and check your full paper manuscript according to the instructions and submit a hard copy and an electronic copy with your registration by 2nd October 2006. Registering by this date will also qualify you for the Early Bird Discount.

Special letters of invitation for visa applications can be provided upon request. PLEASE NOTE: In most cases, visitors will require a visa to enter Australia. Travel assistance from the conference will not be available.

Kindest regards,

Jen Westphal
